BUILDING UP THE CHURCH

1 Corinthians 14:1-25

Pastor Phil Stevenson

In the gathered church, clarity and edification are more important than personal spiritual experiences. The Gospel drives us to use our gifts in ways that build up others and make the truth understandable.

Introduction:

1. Prophecy and Tongues: _____ and _____.

2. Prophecy and Tongues: used _____.

3. Prophecy and Tongues: The Effect on _____
and _____.

Notes:

Discussion Questions:

1. Read 1 Corinthians 14:1-25. Which 2 spiritual gifts become the focal point for Paul in these 25 verses? From these verses what are different characteristics of the gift of tongues and the gift of prophecy? Is Paul supportive of the use of these gifts in the Corinthian church? Why or Why not?

2. According to this passage, what would you say is the purpose of the gift of tongues?

What would you say is the purpose of the gift of prophecy? What cautions does Paul have for those who have and practice the gift of tongues? What illustrations does he use to emphasize his point?

3. What do you think of the following definition of the gift of prophecy? The gift of prophecy is "telling something that God has spontaneously brought to mind." (Wayne Grudem, Systematic Theology, p. 1049) According to verse 3, what should be accomplished when someone speaks prophetically?

4. According to verses 20-25, what are the negative and positive effects that the gift of tongues and the gift of prophecy can have on an unbeliever or outsider to the church? How does this help us understand that the gift of prophecy is a "higher gift?"
