THE HUB AT LINCOLN MEADOWS

"Some trust in chariots and some in horses, but we trust in the name of the LORD our God." Psalm 20:7

OUR BEGINNING

Cross Family was planted out of Houston Northeast Church (formerly Northeast Houston Baptist Church) and officially launched on September 8, 2019. In obedience to God's call, eight families moved from Houston, Texas to Parker, Colorado to help establish a new gospel centered church in a rapidly growing region.

This church plant was launched in partnership with the North American Mission Board (NAMB) with a heart not only to reach Parker, but to be part of a larger movement of planting healthy churches throughout the western United States. From the beginning, Cross Family has existed to follow God wherever He leads and to build something that serves both today and generations to come.

OUR COMMUNITY

Cross Family is located in the southern Denver suburban corridor within Douglas County, one of the fastest growing regions in Colorado. Parker is known for its strong sense of community, excellent schools, family friendly neighborhoods, local events, and access to both outdoor recreation and the greater Denver metro area.

Within five miles of Cross Family's future home, there are more than 160,000 people, with 14,000+ additional homes planned or currently being developed. This growth presents a unique and urgent gospel opportunity. Statewide, only 11.7% of Coloradans identify as Biblical Christians, making Parker and the surrounding region a mission field ripe for faithful, gospel centered presence and proclamation.

OUR MISSION

Cross Family exists to be a Christ-centered church making engaged followers of Jesus in Parker and beyond. We believe following Jesus impacts every part of life, and we seek to help people grow through four core values: Connect with people; Engage with God; Serve others; and Share the gospel.

While we are deeply committed to reaching our local community, Cross Family is also passionate about planting churches, supporting missions, and multiplying gospel

impact far beyond Parker. Our desire is to faithfully steward what God has entrusted to us, locally and globally, so that more people may know and follow Jesus.

THE HUB AT LINCOLN MEADOWS

THE VISION

The Hub at Lincoln Meadows is more than a building, it is a kingdom resource designed to serve both the church and the broader community throughout the week. Our prayer is that this space would be active, welcoming, and mission focused every day, equipping people to follow Jesus and be sent into the world around them.

At its core, the facility will function as a Kingdom minded hub, housing and partnering with like minded organizations. These partnerships will create a shared space for gospel advancement, leadership development, ministry collaboration, and the multiplication of healthy churches, helping make disciples who are equipped to go, serve, and lead faithfully.

At the same time, The Hub at Lincoln Meadows will be a community centered facility, creating welcoming and accessible spaces that serve Parker in tangible ways. Plans include a coffee shop with an indoor play space for moms and caregivers to connect, the Parker Biblical Counseling Center, a potential Cross Family Preschool, and the continuation of community events such as Espresso & Exhaust. The outdoor plaza will host neighborhood gatherings, along with summer and after school programs for kids and students. Through these ministries, we seek to build relationships, meet real needs, and create everyday opportunities to share

the hope of the gospel.

Our vision is for The Hub at Lincoln Meadows to be a place where faith meets community—where people are welcomed, disciples are formed, leaders are developed, churches are planted, and the name of Jesus is made known and taught, locally and beyond, for generations to come.

▼ WAYS TO GET INVOLVED

PRAY

First and foremost, we invite you to partner with us through prayer. Please pray for wisdom and discernment for our Elders and leaders as they seek the Lord's direction. We also ask you to pray for unity within our church family and among all those involved, that we would move forward together with trust and humility. Pray as well that God would provide the resources needed and that this facility would be used as a lasting Kingdom resource, advancing the gospel and serving our community for generations to come. Above all, we trust the Lord to lead His church and are grateful for your faithful prayers as we move forward together.

"The greatness of the sum required affords me a kind of secret joy; for the greater the difficulty to be overcome, the more will it be seen to the glory of God how much can be done by prayer and faith." George Mueller

SACRIFICIAL GIVING

God has graciously opened the door for this opportunity, and we believe He invites His people to participate through faith-filled, sacrificial generosity. As part of our Forward in Faith initiative, our prayer is to raise \$3,500,000, allowing us to move forward with faith and confidence.

We are seeking partners from three key groups: individuals and families who sense the Lord leading them to give generously, foundations that desire to invest in gospel-centered ministry and lasting community impact, and partner churches who share our heart for church planting, missions, and Kingdom expansion. Every gift—no matter the size—plays a meaningful role in helping establish a permanent home where the gospel can flourish in Parker and beyond.
