Growth Questions

These questions are to help you apply each week's message to your life and to help others do the same. Can being honest and vulnerable about your life be intimidating? Is it OK to struggle and have real questions? The answer to both questions is "Yes." Growth Groups are meant to be safe places where we share our answers to the questions below in order to help people know, love & serve Jesus better, together. If you're not in one, email Pastor David Mataya (david@redeemeraz.org), and ask about availability. If you missed this or any message, you can go to our website, iTunes, our Facebook page, or our YouTube channel to get caught up.

1. *Why do you think there's a difference between what Jesus thinks is relevant and what we often think is relevant? Try not to punt to something easy like, 'He's God so He knows better.'*

2. *Look back at the truths in points 1 and 3. Apply just one of them to a time when you were afraid or anxious. How would that truth serve you in your time of need?*

3. *Look back at the truths in point 2. Apply just one of them to a time when you were afraid or anxious. How would that truth serve you in your time of need?*

4. *What one thing from John 14 does God want you to obey & who do you think God wants you, in love, to share these truths with & why (the Bible is to be known so we obey it & share it).*

5. *Write out a prayer based on your answers above.*
