

# THE ROLE OF A GROUP LEADER

## PURPOSE

To create a small group environment where people have opportunities to experience belonging, pursue growth, and live out their purpose.

## WINS

- Spend more time with Jesus
- Take steps toward belonging, growth, and purpose
- Embrace the vision of multiplication

## EXPECTATIONS

- Models what it looks like to experience belonging, pursue growth, and live out purpose
- Lives out the 4 characteristics of a group leader: humility, teachability, curiosity, intentionality
- Prioritizes the leader essentials: stay connected, cultivate relationships, share ownership, provide care
- Personally invests in each group member's life
- Prays for, identifies, and works with his/her leader to develop future group leaders
- Champions the multiplication process
- Commits to posting group attendance every week
- Meets one-on-one with his/her assigned coach at least two times a year
- Utilizes the group leader resource site

## COMMITMENTS

- **Prioritize My Health:** How am I growing personally with Jesus and as a leader?
- **Prioritize Their Health:** How am I helping my group members grow?
- **Promote Participation:** How am I inviting people to share ownership of the group?

- **Cultivate Relationships:** How am I investing in the lives of my group members?

## QUALIFICATIONS

- Has a personal, growing relationship with Jesus Christ
- Has previous group experience
- Has the time, emotional capacity, and moral discernment to lead a group

Healthy leaders create healthy groups through intentional care, growth, and connection.
