**Ar. Ho Kien Keong** is the Founding Director of Konzeptse Asia - a leading architectural firm with significant projects in Malaysia that has also spread its wings successfully to Australia and Cambodia.

Happily married to Ivy with 4 children and 5 grandchildren between them, Kien Keong is passionate about building strong families and is a founding board member of Focus on the Family Malaysia since 1997.

He is serving as an elder in FGA and is a firm believer in raising and mentoring the Next Generation of leaders both inside the church and in the Marketplace.

**David HY Wong** has over 30 years of corporate experience, including serving as Regional Vice President and Managing Director of Tupperware Malaysia/Singapore, where he led successful business turnarounds across South East Asia.

Under his leadership, the Malaysian business became one of Tupperware's top markets globally both in revenue and in profitability. He was later appointed as Advisor to Tupperware Asia Pacific, where he mentored managing directors and senior leaders and helped shape strategies across Australia, Korea, India, the Philippines and beyond.

David's journey is anchored in the belief that God cares deeply about the marketplace and places people there for redemptive purposes. In 1994, he founded the Business & Professionals (B&P) Ministry to help believers integrate faith with work and make an impact in their natural sphere of influence.

Known for his biblical insights and practical wisdom, David is a sought-after speaker and mentor in both business and faith circles. David has recently written his book, *The 70% Matters: Finding God's Purpose and Power At Work*. He continues to mentor entrepreneurs, professionals and young couples and teaches at the Emmaus Business school, a component of The Encubator.
