2 WEEKEND'S COURSE

CALLED TO LIVE AS DISCIPLES

SUNDAY | 11th & 18th OCTOBER | 1.30-4.30pm

As Jesus called the 12 disciples, we are called to be disciples and to make disciples as He did.

1. We will learn from Jesus' methods of selecting, nurturing, and reproducing disciples.
2. Engaging in a discipling culture as a Christian and as a church community is essential for Christlike development.

SOLUTION-FOCUSED BRIEF THERAPY (SFBT)

SATURDAY | 24th & 31st OCTOBER |10.30am - 3.30pm

Solution-Focused Brief Therapy techniques include assertiveness, journaling, body awareness, the miracle question, scaling, chair techniques, and narrative therapy. Emphasizing individual strengths, emotional awareness, mindfulness, and gradual change, these methods foster self-exploration, stress management, and assertiveness. They highlight the importance of patience, self-compassion, and focusing on future solutions rather than past causes.

This course is beneficial for personal growth, people development, careers, and those who have a heart to chart a better future despite the past.
