

BACK TO THE CROSS

Lyrics

CHOIR:

Back, oh we gotta get back. Back, or we gotta get back. Back, oh we gotta get back. Back, oh, we gotta get back.

SOLO 1:

Back to surrender, back to faith, back to the day He made a way.

CHOIR:

Back, oh we gotta get back. Back, or we gotta get back.

SOLO 2:

Back to the day He paid the price, and opened the way to paradise.

CHOIR:

Back, oh we gotta get back. Back, or we gotta get back.

We're goin' back, we're goin' back, we're goin' back to the cross!

We're goin' back, we're goin' back, we're goin' back to the cross.

The cross, the mystery, the moment everything changed. The point in history, the miracle of grace.

Back, oh we gotta get back. Back, or we gotta get back. Back, oh we gotta get back. Back, oh, we gotta get back.

(Ms. Maddie May): *dialogue*

We're goin' back, we're goin' back, we're goin' back to the cross!
We're goin' back, we're goin' back, we're goin' back to the cross.

The cross, the mystery, the moment everything changed. The point in history, the miracle of grace.

The cross, the mystery, the moment everything changed. The point in history, the miracle of grace.

Back, oh we gotta get back. Back, or we gotta get back. Back, oh we gotta get back. Back, oh, we gotta get back.

Back to the cross.
