

FIX OUR EYES

Lyrics

CHOIR:

He endured the cross and the shame, carried our sin despite the pain. Forgiveness bought for those who were lost. Paying the price, the ultimate cost. It's time to fix our eyes on Jesus Christ, and take them off the cares of today. For when we fix our eyes on Jesus Christ, the problems of the world will fade away.

(spoken): They'll fade away! They'll fade away!

It's time to fix our eyes on Jesus Christ, and take them off the cares of today. For when we fix our eyes on Jesus Christ, the problems of the world will fade away.

(spoken): They'll fade away! They'll fade away!
