ON A DONKEY'S BACK

What can you carry on a donkey's back?

What will you need, how much can you pack?

If your donkey is strong and fat, what can you carry on a donkey's back? **3X**

1. Child: Baskets and bread, Market Man: Let's put them on the donkey.
2. Child: Fruit and firewood, Market Man: Firewood's heavy!
3. Child: Water jugs and woolen rugs, Market Man: That'll slow him down!
