

ROOM AROUND THE MANGER

There's a place for you, a place for me; there's room around the manger.

Come inside and you will find there's room around the manger.

Jesus is God's gift to every boy and girl. Come and worship Him, there's room for all the world.

There's a place for you, a place for me; there's room around the manger.

Come inside and you will find there's room around the manger.
