

Look Back

Take a moment to catch up with one another and reflect.

Answer the following questions:

- *How did your week go?*
(Share a highlight, a challenge, or one thing for which you are thankful)
- *Were you able to reach your “I Will” goal from last week?*
- *Vision: Why are we here? To be discipled and make disciples!*
(What does this mean for you?)

Look Up

Begin your time with prayer and then read the Scripture text.

Answer the following questions:

- *What do you like about this passage?*
- *What do you find difficult?*

Have a second prayer, asking God to help reveal new things, then read the Scripture text again.

Answer the following questions:

- *What does this passage teach us about God?*
- *What does this passage teach us about people?*
- *What does this passage teach us about evil?*

Look Forward

Discuss how you will obey what you’ve learned from the Scripture text.

Use these questions to guide your personal “I Will” goal:

- *How can you put what was learned into practice this week?*
(Think H.O.S.T: You’ve **heard** God’s Word, how will you’ll **obey** it?
*How will you **share** it? Who could you **train** to start a new group?*)

Pray before you decide and then share it with the group.

“I will...”

Expanding the Vision

Continually “fan the vision” of multiplying disciples and new groups.

Consider including these additional questions or conversations into your discussion time.

- *With whom this week will you share today’s passage or what God is doing in your life?*
- *With whom might you help to launch a new group?*
- *Which Discipleship tool can we practice and then share with others?*
