Did you know?

All of our ministry sessions are FREE!

Risen Ridge Ministry is a donation-based 501(c)3 organization and yes, you read that right, ALL of our ministry sessions are offered free of charge. As we look ahead, we are filled with excitement! More lives will be touched, more stories will unfold, and your generosity remains a foundational part of it all. We operate almost entirely on donations from the community to fund, not only the ministry sessions, but all of the operating costs of running a nonprofit with the added expenses of caring for six horses.

Through quiet moments with horses, caring volunteers, and a peaceful setting, lives are being impacted in powerful ways. People are finding hope, healing, and renewed purpose through the love of Jesus Christ.

Your donations are what allows Risen Ridge offer these moments to our guests.

We would be honored if you would consider supporting this mission. Every gift—no matter the size—helps us continue offering these life-changing experiences to those who need them most.

Date Night!

A beautiful and unique experience...

As we continue to lean into the focus of what God has called Risen Ridge Ministry to be, one thing that has always been there but never seemed to be the right time is to work with couples to build their relationships. Whether the couple is engaged to be married or has been married for many years, the marriage covenant is sacred to God and deserving of being poured into.

To begin this journey of ministering to couples, we are offering a Date Night Experience. Dinner, horses, dessert, and connection. We have four opportunities to participate in this wonderful evening this year. Please see the information below or click the button for info and registration details.

Projects for growth!

The vision moves forward...

We have been at the beautiful Kinsinger Farm for 2 years now. God has given us a grand vision for this facility and we continue to take faithful steps to see that vision come to fruition. Here is a quick update on the projects so far in 2026...

The most obvious one that you will see as you drive in the driveway is that the front of the barn is getting a facelift! In cooperation with the farm owner, who helped purchase much of the material for this project, we have been able to put new doors on the upper level. This project has made quite a difference in the overall appearance of the barn, not to mention how nice and bright it is inside!

When you come into the barn aisle downstairs, you will notice a room - it wasn't there before! This room is going to enable us to meet year-round, in a temperature-controlled environment complete with a kitchenette, a conference table, space for our tack, a resource library, and comfortable seating. We will be able to have bible studies, volunteer training, hold meetings, and have a comfortable, quiet space to pray and meet with our guests. The exterior of the room is finished, which required work from the roof to the floor. We also put in a nice sink with hot water right there in the hallway. This is an ongoing project and needs some funding to see through to completion. We need to purchase and install insulation, wall and ceiling material (T1-11), floor treatment, and some furniture.

The third project that we have been working on is the first of three stalls that will be down the aisle opposite of our current four stalls. We need the funding to purchase the materials for the floor - gravel and stall mats, and then we will be able to move Poncho and Hazel over and remove the gate panels in the barn, which will give us some space for indoor BBEAP activities on rainy days.

As with all things we do, we seek the Lord and His will. We know the vision that He has given us and we move forward as He provides. One of my favorite verses that was shared with me by a dear friend of mine reads, For still the vision awaits its appointed time; it hastens to the end - it will not lie. If it seems slow, wait for it; it will surely come; it will not delay. - Habakkuk 2:3

Clear Path Program

Reaching one sheep at a time.

The Clear Path program at Risen Ridge is a very special and unique way to receive true freedom through Jesus Christ.

So far this year, we have seen lives transformed by the power of Jesus Christ! Our guests have been set free from darkness, overcome fears,

gained confidence, are boldly setting healthy boundaries, and have seen the truth of how much God loves them and are learning to love themselves. True freedom through Jesus! It is so powerful!

Our season will continue until the end of November. If you or someone you know would like to come out and experience this beautiful and unique opportunity, please reach out. This program is for **EVERYONE!!!** You do not have to carry trauma or have anything "wrong" with you! If you simply have a desire to sit at the feet of Jesus, in His creation, away from the noise of life, this is for you.
