INVESTING IN THE GENERATIONS

***YOUR  
FAITHFULNESS  
ENDURES TO ALL  
GENERATIONS . . .***

## DEAR VICTORY FAITH

We are excited to be a part of a church family that is so passionate about leading people to life in Jesus! With all the turmoil in the world over the last two years, it is miraculous just how generous you all have been. God has used your generosity to help us fulfill some of His dreams for Victory Faith and beyond. Our theme for this year's Legacy Offering is "Investing in the Generations".

We have been able to influence our community, our region, and the world because of your generosity. So many people have been impacted because of you. And we are just getting started!

As we head into our Legacy Offering this year we invite you to prayerfully consider getting involved. We believe that as we give, we bless others and we open doors for God's blessing in our lives also. God tells us in His word that the seeds we plant determine the size of our harvest. His desire is to multiply the seeds we sow.

We pray God's favor and increase over you as you join us in this adventure in expanding God's Kingdom on earth.

- Pastors Craig & Monie

# LEGACY 2021 RECAP

In November of 2021 we received our Annual Legacy Offering. You took our breath away with your generosity. Thank you to everyone who participated—we are eternally grateful!

Your giving over these first three years of Legacy has paved the way for an incredible future where Victory Faith can continue its mission for generations to come. The influence you are having on people's lives is deep and eternal.

The following pages highlight just a few ways that we were able to impact our community this year through your generosity.

# MARTIN LUTHER KING JR. CENTER

The Martin Luther King Jr. Center is living out the legacy of its namesake by encouraging families to take responsibility for their success, preparing children to succeed in school and life, providing leadership opportunities for youth, and celebrating diversity in Spokane. We sent \$37,500 to the Center so they could purchase a cargo van to help them in their mission.

# BIG GIVE

We allotted over \$35,000 to purchase 300 bicycles and give them to families in our community last Christmas. This outreach brought people into our doors to receive the gospel message, and gave kids a Christmas they will never forget. We're looking forward to blessing families in this way again this December.

## **ADOPTION OUTREACH**

We set aside \$25,000 to assist couples with the adoption process. Whether they are getting started, are in the middle of the process, or have recently adopted, our goal is to help adoptive families give a loving home to a child.

## **GAS CARDS OUTREACH**

We spent \$10,000 on gas cards to help those most affected by the high price of fuel. This outreach is in the process of giving away 200 \$50 gas cards to those who need it most.

In June 2022 we held our second annual 3-on-3 basketball tournament with over 800 in attendance including 73 teams. We built relationships with the people in our community in a greater way than ever before and gave away some awesome cash prizes. Through free food, family fun, and meaningful interactions of kindness and prayer, we heard many stories about what a blessing the event was to those who attended. \$19,000 from our Legacy Fund made this event possible.

# VICTORY KIDS PLAY CENTER UPDATE

A major portion of the 2020 Legacy offering and the 2021 offering is being used to construct an indoor playground in the children's wing of our Valley Campus. As you look at this amazing playground we ask that you see hundreds of families and thousands of children's lives being brought into the Kingdom of God. See the ripple effect of all those people and their families for generations to come as we use this amazing tool to LEAD PEOPLE TO LIFE IN JESUS!

***WE CAN CHANGE THE  
WORLD THROUGH  
OUR GIVING.***

# KINGDOM BUILDERS

## WHO ARE KINGDOM BUILDERS?

One of the gifts listed in Romans 12 is the gift of generosity or giving. Kingdom Builders are those who feel this calling and give more than \$5,000 (above and beyond tithes and offerings) toward our Legacy Offering. This group meets several times throughout the year to pray together and be encouraged with faith and vision for the impact we can make with our resources.

## AM I ABLE TO GIVE WITHOUT BEING A KINGDOM BUILDER?

Yes! Legacy is an opportunity for anyone to give however they feel led. The size of the donation is not what's important—it's our heart as God's people to come together and put our resources to work leading people to Jesus. Every dollar given is a seed sown that will grow a legacy for years to come.

## **2022 LEGACY FUND DISTRIBUTION**

A majority (80%) of the funds from our Legacy Offering will be used for expansion and the generations. By investing in brick and mortar buildings, we are able to grow our influence, our current facilities, and future campuses for the generations to come. We will invest in the next generation and make room for others because people matter the most, and facilities allow us to minister to those in our communities. 20% of the funds will be used for outreach initiatives in our city and region including our Big Give bicycle giveaway in December and Victory Hoops event in the Summer.

## **LOOKING FORWARD - INVESTING IN THE GENERATIONS**

Where will we invest in the generations through this year's Legacy Offering?

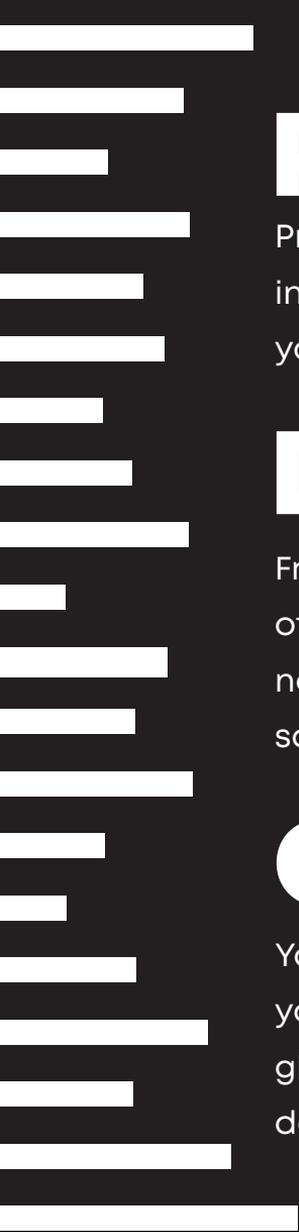

Through School of Leadership, we are raising up young people to become leaders in their families, in the marketplace, in society, and in the church. We are celebrating 25 years of intentionally discipling the next generation, and this year we believe God is leading us to take this important vision to the next level for the next 25 years and beyond. To help foster a deeper sense of community and connection for our students, we want to use the main

portion of this year's offering and put it toward housing. We are looking into purchasing houses, dorms, land—whatever kind of property will best fit the needs of housing young men and women during their School of Leadership experience. This housing will further prepare them for their future not only through the relationships they will build, but also through the practical life skills they will gain in caring for a place of their own.

We believe this is God's dream, and it will take many of us stepping up and hearing from God how we can contribute toward this vision. Some may give cash, stocks, houses, land—whatever it takes to fulfill the vision of investing in the generations. This is our future. While the enemy is trying to influence young people, we believe God is going to raise up an army that love Him and who will carry his love to the world.

# PRAY

Prayerfully consider the part that you are able to play in the Legacy offering. It's important to remember that your giving is a discussion between you and the Lord.

# DECIDE

From your conversation with the Lord, make a decision of faith about how much you will give. We believe it's not about equal giving, but rather, it is about equal sacrifice.

# GIVE

You can make a difference! On **November 13<sup>th</sup>** bring your Legacy Offering to give at our main services. Or give online at [victoryfaith.org/give](http://victoryfaith.org/give) (make sure you designate your gift to "Legacy" when giving).

**THANK  
YOU  
FOR  
YOUR  
GENEROSITY!**

LEADING PEOPLE  
TO LIFE IN JESUS.
