I might be also trying to pay for classes at WSU during the D School

Family, Faith & Church

Please describe your family's background.

Background of Christianity my grandfather was a pastor unfortunately I never got to know him before dementia had gotten to him. My mother divorced my father and fell out of faith. My mother is possibly borderline or Bipolar. I do not have a relationship with my mother anymore but I have a relationship with my father and stepmother. I have two brothers who consider themselves Christian although they do not go to church. I currently live with my grandmother on my mom's side and my mother has cut off contact with her mom.

Please describe how and when you began a relationship with Jesus and what your spiritual growth has looked like since then.

I knew of Jesus pretty much my whole life but I would say I really only started having a true relationship with Jesus after I went out and found a church I belong in. After joining Antioch I have done nothing but grown in my closeness with God and I now consider myself to be in a very deep relationship with God.

Are you currently a member of a church? If so, which church and when did you become a member?

Yes Antioch Wichita. I joined 4 years ago

Briefly describe your current involvement with your church.

I work with the youth to help grow them and disciple them so they hopefully go out and become disciple makers

How did you hear about ADS?

Sunday Morning

Why are you interested in attending ADS?

I want to grow in my spiritual journey and I feel like I've been waiting to do ADS for a while now

ADS Interest & Future Plans

What are your plans for when you finish the school?

Not sure. I hope to have been starting my journey at WSU but I'm not sure if something will come from ADS that might make me change my mind.

Are you currently taking any medications, under a physician's care, or have any other physical condition that would be helpful for us to know?

I have asthma and I'm currently taking Lexapro for depression.

Health & Personal History

Have you been convicted of an offense other than a minor traffic violation?

No

Have you ever been abused in any way (sexually, physically, emotionally)? If yes, please describe any counseling you have received regarding this abuse.

I was emotionally and verbally abused by my mother for years. I have gone to see a therapist and I am fully at peace with what happened. I have processed through my trauma and I no longer consider it something that holds me back. It is something that happened to me but thanks to God I am not defined by that.

Have you had any mental or emotional struggles in the past two years (strong anxiety, depression, cutting, panic attacks, attempted suicide, etc.)? If yes, have you received counseling and treatment?

I have been struggling with depression on and off for years and I've been on Lexapro and it's helped significantly.

Do you have, or have you previously had, drug, alcohol, or substance abuse problems? If so, have you received treatment?

No

Do you have any past or current struggles with disordered eating?

Yes I feel I still do have them and I have just not even considered trying to get better. I'm not quite sure what kind it is I just know my eating habits are not the best

Have you ever been subject to disciplinary action taken by an employer or religious organization?

No

Have you had patterns of rebellion in the past two years (defiance of authority, the law, etc.)?

No

Have you had a relationship in the past two years that would not be considered healthy (sexual involvement, codependency, homosexuality, etc.)?
