Please describe your current financial situation (i.e. liabilities, caring for aging parents, debt, etc.) that might place additional strain on your ability to pay for the school and/or provide for yourself or your family while in the school?

I have some standard bills (i.e. phone, insurance) as well as child support and supplemental costs from that. I am not in a preferable financial situation, however, through His provision and people in my life, I have been able to stay afloat.

Family, Faith & Church

Please describe your family's background.

Unfortunately, I do not come from a Christ following home. There was an equal amount of abuse as there was teaching good life lessons. My parents were broken people who did what they knew. Happily, they did eventually give their lives to Christ.

Please describe how and when you began a relationship with Jesus and what your spiritual growth has looked like since then.

After having rebelled and openly fighting against Christianity, in 2009 I gave my life to the Lord. I went into it head first with study and prayer and serving. A few years later I had a moment of rebellion that resulted in my removal from the church. The next ten years were a tumultuous time in the desert ending with my then wife divorcing me and multiple attempts to end my life. It was chaos after that, however, family pulled me back to attending church getting back into the Word. I am now a member of the church I attend and serve in a few ministries. More than that, my relationship with the Lord and Savior is stronger and more authentic than it ever has been.

Are you currently a member of a church? If so, which church and when did you become a member?

Yes, Antioch Wichita, 2023

Briefly describe your current involvement with your church.

I am currently serving on the tech team, the kids ministry, the youth ministry and the building team.

How did you hear about ADS?

Friend or family

Why are you interested in attending ADS?

To deepen my walk with the Lord. To learn how I can more fully surrender to Him, to hear Him completely and see Him rightly. I awe it as an opportunity to elevate my relationship with Him.

ADS Interest & Future Plans

What are your plans for when you finish the school?

To be honest, I am uncertain. I am praying that the path He has for me will be unveiled during this process.

Are you currently taking any medications, under a physician's care, or have any other physical condition that would be helpful for us to know?

No.

No

Have you ever been abused in any way (sexually, physically, emotionally)? If yes, please describe any counseling you have received regarding this abuse.

Yes. I have been in counseling/therapy for the past five years in regards to this and other issues.

Have you had any mental or emotional struggles in the past two years (strong anxiety, depression, cutting, panic attacks, attempted suicide, etc.)? If yes, have you received counseling and treatment?

No, with the caveat that I have been in therapy for past self harm and attempted suicide.

Do you have, or have you previously had, drug, alcohol, or substance abuse problems? If so, have you received treatment?

Yes. I, however, am working towards removing tobacco use from my life.

Do you have any past or current struggles with disordered eating?

No.
