Family, Faith & Church

Please describe your family's background.

My dad is a marine, and he worked on airplane engines, disciplined and direct. My mom was the secretary for public works in our town, hard working and emotional. I have 2 younger sisters. My parents got divorced when I was 12. Dad got remarried 3 or 4 years later, still married today, and my mom remarried 5 years later, divorced again, got married again, to the man she is married to today. We were loved and taken care of, both my parents taught me about working hard, and taking responsibility for your actions.

Please describe how and when you began a relationship with Jesus and what your spiritual growth has looked like since then.

Jesus was introduced to me when I was a child, but i didn't actually start walking with him till my 40s, I've had crazy spiritual growth starting the past 7 years, listening and obeying, letting the holy spirit fill me and lead me, finally dealing with childhood trauma, depression, my will for my life, verses his will, trusting that God's plan is the best plan, questioning why God would put me in this difficult stressful situation, when my whole life has already been so hard, but learning that he lead me here, for healing and growth. Getting my mind out of selfishness, admitting when things are really hard, and not bottling up feelings, going to therapy, letting go, reminding myself everyday that God is in control, and he knows what's best for me.

Are you currently a member of a church? If so, which church and when did you become a member?

Antioch wichita, 2022

Briefly describe your current involvement with your church.

Serving, greeter at front door, helping with activities when there is a need, house church.

How did you hear about ADS?

Sunday Morning

Why are you interested in attending ADS?

I took half of it a couple years ago, but wasn't able to complete the second half, so now that it's available again, I am hoping to get more out of it, and I am hopeful that it will be a better experience.

ADS Interest & Future Plans

What are your plans for when you finish the school?

Going on the missions trip, and continue to go where God calls me,

Are you currently taking any medications, under a physician's care, or have any other physical condition that would be helpful for us to know?

I do have chronic pain, which I'm going to a rheumatologist, to get tests done, to hopefully get some answers and remedies, but right now, I don't have an explanation, but I try not to let it stop me from living life.
