Family, Faith & Church

Please describe your family's background.

Both grew up raised in Christian families, I have attended this church since its founding.
Newly married and settling into our new life together.

Please describe how and when you began a relationship with Jesus and what your spiritual growth has looked like since then.

Growing up in a Christian family I have always "known" Jesus, but I would say I began developing a more personal relationship with Him when I was around 16 or 17. There have been many times that I feel helped me progress in that relationship over the years, from missions trips to moments of personal growth, to my previous experience in the discipleship school.

Are you currently a member of a church? If so, which church and when did you become a member?

Yes, Antioch Wichita, when it was founded.

Briefly describe your current involvement with your church.

I regularly attend Sunday service and weekly house church. I volunteer in the youth group, kids ministry, and worship team.

How did you hear about ADS?

Sunday Morning

Why are you interested in attending ADS?

Primarily to accompany my spouse in his first time attending, but I am also excited for the opportunity to grow my relationship with Christ further and solidify its foundations.

ADS Interest & Future Plans**What are your plans for when you finish the school?**

Continue serving in the church, using my experience from the school to apply to my ministry. I also hope to join Antioch on any future missions trips and get certified with Acts of Mercy.

Are you currently taking any medications, under a physician's care, or have any other physical condition that would be helpful for us to know?

I have Postural Orthostatic Tachycardia syndrome. I can be prone to tachycardia episodes with too much strain or after standing too long.

Health & Personal History**Have you been convicted of an offense other than a minor traffic violation?**

No

Have you ever been abused in any way (sexually, physically, emotionally)? If yes, please describe any counseling you have received regarding this abuse.

Yes. I have received some counseling for childhood emotional abuse and have made good progress in that. I have not received counseling for the sexual abuse I experienced.

Have you had any mental or emotional struggles in the past two years (strong anxiety, depression, cutting, panic attacks, attempted suicide, etc.)? If yes, have you received counseling and treatment?

I experience occasional episodes of major anxiety or depression but with previous counseling I had several coping mechanisms as well as a strong support system to rely on.

Do you have, or have you previously had, drug, alcohol, or substance abuse problems? If so, have you received treatment?

No such problems
