We're going to look at:

1. The Power
2. The Proof
3. The Promise of the Resurrection

Matthew 28:1–6 NASB

The stone wasn't moved to let Jesus out; it was moved to let the witnesses in.

1 Corinthians 15:3–8 NASB

The Gospel in 3 movements:

1. Death, the payment
2. Burial, the proof that He died
3. Resurrection is the victory

If He only died, it would be a tragedy. If He only lived, he would be an inspiration. But because He rose, we have salvation.

John 11:21-26 NASB

Because of the resurrection:

1. There is POWER — The grave couldn't hold Him
2. There is PROOF — The world couldn't deny Him
3. There is PROMISE — Death can't keep us
