When Christ becomes our identity, division loses its authority.
Jesus didn't save us to be disconnected, but to be connected.

We're going to look at how:

1. We Were Separated
2. Christ broke down our division
3. We were united

Ephesians 2:8–13 NASB

Ephesians 2:14–18 NASB

Sometimes Jesus allows storms because the walls we built
are stronger than the bridges we should've built.

Ephesians 2:19–21 NASB

Our unity is proof that Jesus is transforming our identity.

Hebrews 10:24-25 NASB

The church isn't perfect; it's a hospital for healing, a family for
fellowship, and a community for compassion.
