MISSION MOMENT

We have a group of ladies **sewing to make much needed masks** for our hospital workers that are working the front lines for all of us! If you sew, and would like to help with this wonderful project please contact Eileen Graham at 256-399-1932.

Also there may be opportunities coming that we can **pick up and deliver groceries with no contact**, for our members who are unable to go out. If you would like to help with this mission, please call the church office and your name will be put on the Grocery Delivery list. *More to come later as the needs arise!*

Give! Your church needs your support now more than ever! Since we have had to suspend in-person worship service, we haven't been able receive offerings (obviously). We still need your support to keep our awesome church going. You can always do online giving through our secure e-giving site. Go to our church website www.fumcgadsden.org/give or to the App: FUMC Gadsden to find out how or drop a check in the mail to 115 S. 5th Street, Gadsden, AL 35901. If you can give something extra during this time, it would really help and be much appreciated! Call 256-543-8200 (church office) if you need any assistance.

Hey Families! We find ourselves in an interesting place right now, however my prayer is that we can approach it as an opportunity to strengthen our families and our faith, rather than allowing fear or frustration to overtake us.

With that in mind, starting March 18, I will livestream a daily "Bible Break" at 10:00am, Sunday to Friday on FacebookLive.

Together, we will sing some songs and read a Bible story. There will also be an interactive component, so be prepared to draw something, do something or search for something. My prayer is that we can cherish this unplanned time with our children, and spend some quality time together with Lord each day!

One, one, one... Challenge!

Our theme for 2020 is #Connect2020. How do we reach out to each other and stay connected when we are in quarantine and being asked to practice social distancing? It's definitely a challenge, and it can be a bit overwhelming to think of the entire scope of this challenge. We can't reach out to *everybody*. But what if we could do for "one" what we wish that we could do for "everyone?"

When Mother Teresa saw the incredible problems on the streets of Calcutta – people being left on the streets to die alone...lepers not receiving care at all – she would say this to herself: *"Ek, ek, ek!"* It is Hindi for *"One, one, one..."* She didn't look at the masses of need. She looked at one. She said, *"I can only love one person at a time – just one, one, one. So you begin. I begin. I picked up one person...Just begin – one, one, one."*

The one, one, one challenge is simple: Make one phone call a day to check on somebody. Just see how they are holding up. Send one text a day to someone just to encourage them. It could be a friend, a family member...anyone whom the Lord puts on your heart. And then write one note a day. It could be a thank-you card, a "thinking-of-you" note...a sticky note you put on your spouse's mirror that reminds them that you care.

Sound simple? It is. Will it make a difference? I believe it will! I would like to see 111 of our church members take the one, one, one challenge. Just think of the power of that connection! If you would like to take this challenge and sign up for one, one, one – please call the church office. I'll be giving updates as we go along. How long will the challenge last? As long as we are being asked to quarantine and practice social distancing. But who knows...we might decide we like doing this so much that we keep it going!

Beginning Tuesday, April 21 @ 6:30 pm

"It's Not Supposed to Be This Way" by Lysa Terkeurst

On Tuesdays at 6:30pm, beginning April 21, I will lead a 6-week online study of Lysa Terkeurst's book, "It's Not Supposed to Be This Way: Finding Unexpected Strength When Disappointments Leave You Shattered." Just like many of us, Lysa & I both understand daily disappointments and life-altering loss. The study will walk us through our valleys, and help us discover that in God, we can find unexpected strength as we wrestle well between our faith and our feelings.

The study's video will be shown in each session, however for deeper study, you are invited to purchase a copy of the book. It seems Target and Walmart have the best price (\$12.46) and shipping time at the moment.

Our online platform will be GoToMeeting, which will allow for some limited discussion, which I feel is important in a study like this. If you are interested, please email carrie@fumcgadsden.org and I will invite you to join the private Facebook page which includes all the details. —Pastor Carrie

GoToMeeting is a web-hosted service created and marketed by LogMeIn. It is an online meeting, desktop sharing, and video conferencing software package that enables the user to meet with other computer users, customers, clients or colleagues via the Internet in real time.

This is a super easy way for GFUMC groups to stay connected, meet for fellowship, prayer and Bible Study during this time.

- A GoToMeeting can be joined on your computer, tablet, or smartphone through a web browser or app.
- Participants DO NOT even have to have a computer to be able to participate. A phone number is also provided to call into the meeting.
- Invitations to join the meeting are sent out via email to members.

If your small group or Sunday School Class would be interested in doing a "GoToMeeting" and inviting members to come together online, please contact Sheila Freeman @ 256-490-5018.

We can easily set up a meeting for your small group, circle or Sunday school. Each group will need to select a moderator or leader and this role can be shared.

Scheduled GoToMeetings:

Tuesdays, 6:30 pm, Pastor Carrie, Journey Group

Sundays, 10:00 am, Living Water Sunday School (Seekers and Martin Fellowship are invited to join, too!)

Email sheila@fumcgadsden.org if you need the link or meeting id.
