# “The Madonna and Christ”

Rev. Sherri Reynolds

Changing Lives by Sharing Christ, Making Disciples, Serving and Giving Hope

### Sermon Notes: Thursday January 25 & Sunday January 28

This is the second week of the series “Word from the Window” featuring the stained-glass windows of the church. This week’s window is “The Madonna and Christ” which is at the courtyard entrance just off the Narthex and was inspired by Raphael’s The Sistine Madonna. It is a partial copy of the famous painting which is in Dresden, Germany. The window was installed in 1945 as part of the first prayer room, and while the prayer room location has moved, the window has not. The window is given in memory of Allie Lois Giddens Brown, Allie Josephine Brown, Hilda Phenix Brown, and Dr Joseph Lucien Brown by the Brown family.

When Dr. And Mrs. Mack Brown moved to Gadsden in 1904 with their twelve-year-old son, Joseph Lucien Brown, they joined First Methodist Episcopal Church South, and began a family tradition of church involvement across generations. Hilda Phenix Brown, wife of Joseph, was a faithful worker for many years with the children, a circle leader, and president of the Women’s Society of Christian Service (a forerunner of United Women in Faith). Allie Josephine, their two-year-old daughter who died in 1926 is forever memorialized with her face in the window and her name etched in the glass.

For your daily dose of discipleship, I encourage you to spend time in scripture: Luke 1:41-56. 1) What part of this scripture helps you connect with Mary? 2) How is Mary’s compassion and empathy displayed in her song? 3) How can Mary be a model of faithfulness and comfort?

Join us Sunday as we see the beauty and hear the story.  
Rev. Sherri

### GENE & DANNA DEAN

Gene was adopted at the age of 7 by Maurice and Ruth Dean, owners of C&J Auto Parts in Gadsden. Gene graduated from Gadsden High School in the Class of 1968, then attended Livingston University (now the University of West Alabama) before becoming a Draftsman at CECO Steel Corp. Subsequently, he joined the family business, from which he retired in 2001. Having established the first martial arts school in Gadsden, Gene taught martial arts for 52 years. Currently, he runs a computer repair business, called "Computech," out of their home. Danna

grew up in Stonewall, MS, and attended Jones County Junior College in Ellisville, MS, before taking a job at American National Bank in Gadsden. She then worked at Lancaster Management for the next 32 years. Now she is a vital part of our church's Early Learning Center (ELC) and in her spare time "loves to cook." They have 2 children—Amy Epperson, who works for Inteva, and David Dean, who works for AT&T. Grandson Kaden Epperson (23), graduated from Jacksonville State in Electrical Engineering; and granddaughter Riley Epperson (18) is currently attending Jacksonville State, preparing to be a Physician's Assistant.
