

Changing Lives by Sharing Christ, Making Disciples, Serving and Giving Hope

Sermon Notes: Thursday, May 29 and Sunday, June 1

When you build a house, where do you start? After you develop your plan and prep the construction site, the first real phase of building is laying the foundation. Excavation, trenches, footings, and foundational walls are the important first steps for any building project. You must be careful to start right, because without a good foundation, what is built upon it might not stand. Foundation work is critical. Foundation work is also critical in our faith and in the life of this church. As followers of Jesus, building essential footings keeps us on the right track personally and as a congregation. Get the foundation right and other elements fall into place.

The foundation is Jesus, the cornerstone, and our relationship with God. If we pursue a life where we love God fully (Matthew 22:36-40), then all that is built upon that relationship falls into place. This is true for our personal life and First United Methodist Church. How can you love God fully? What are the barriers to loving God fully as First United Methodist Church of Gadsden?

For the Love of God,
Rev. Sherri

FOUNDATIONS Sermon Series: June 1-June 15

When you build a house, where do you start? After you develop your plan and prep the construction site, the first real phase of building is laying the foundation. Excavation, trenches, footings, and foundational walls are the important first steps for any building project. You must be careful to start right, because without a good foundation, what is built upon it might not stand. Foundation work is critical.

Foundation work is also critical in our faith and in the life of this church. As followers of Jesus, building essential footings keeps us on the right track personally and as a congregation. Get the foundation right and other elements fall into place. This June, we are going to be examining the essential footing for us as individuals and for First United Methodist Church. This series will be unique in that it will explore one passage of scripture, with three key elements in the passage being the message focus.

Sunday School: New Adult Series

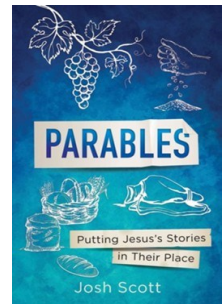

Transitions 10 am, Room 209

This study encourages thinking persons of faith to model for the rest of the country a richer, more thoughtful conversation on the political, moral, and religious issues that divide us. Hamilton rejects the easy assumptions and sloppy analysis of black and white thinking, seeking instead the truth that resides on all sides of the issues, and offering a faithful and compassionate way forward.

Pathfinders/Seekers 10 am, Room 208

Parables by Josh Scott. When Jesus taught in parables, he was doing more than telling simple morality tales. His stories were grounded in the world in which he lived and his vision of the Kingdom of God. This book explores six parables that give us a window into Jesus's message and movement, and, once they are heard in their own context, ask what they might mean for us today. Parables include: the New Wine and Wineskins, the Mustard Seed, the Leaven, the Wedding Party, the Workers in the Vineyard, and the Wicked Tenants.

Living Water 10 am, Room 116

The Living Water Class is doing a unique study for the next several weeks. We are looking at events, teachings, miracles, parables found in the Gospels of Matthew, Mark, and Luke. Since these three gospels are very similar in many incidences special books have been written that compare these similar stories. So you may have a story in one, or two or all three Gospels. We are examining these events to see what we can learn from them.

“Men at the Well” Thursday Mornings, 7:00 am

Becky grew up in Birmingham and graduated from Ensley High School. She attended Brenau College, then the University of Alabama, where she was a double major in Biology and English. She then received a JD degree at Cumberland School of Law and a Masters in Health Administration from UAB. Becky worked for a healthcare law firm, then did healthcare consulting before starting a family. She has two grown children: a son, John Robert Walker, who is in his early 40s and is an anesthesiologist at Gadsden Regional Medical Center; and Ellie Walker Sherman, who is in her late 30s and is a trained mental health counselor currently staying at home with her young children. While raising her family, Becky served on the Board of Hoover City Schools and was Chair of the parent-teacher organization for all schools in the Hoover City School System. She was also involved in city planning for Hoover and was a member of the Alabama Symphony Orchestra Chorus. Additionally, she is a Certified Lay Speaker and recently served as Director of Lay Servant Ministries for the North Alabama Conference. Becky likes to travel, lead small groups in scripture study, collect antiques, do needlework, and read. She divides her time between Gadsden and Wapakoneta, Ohio, where she lives in the summer to avoid the southern heat.

This past Easter, we invited you to tithe the week of Holy Week, above and beyond your general fund offering. I am pleased to share that you responded with deep generosity. As of the writing of this letter, so far **\$29,942.00 has been given as part of the 2025 Alleluia Offering.** Thank you for your ongoing generosity and support. Your giving has enabled us to fund ongoing organ maintenance, activities for our students this summer, and new media ministries.

As always, I am overwhelmed by the level of generosity within the congregation. What you are doing through First United Methodist Church of Gadsden is changing lives in the name of Jesus.

Thanks be to God!
