Rev. Sherri Reynolds

Changing Lives by Sharing Christ, Making Disciples, Serving and Giving Hope

Sermon Notes: Thursday, June 13 & Sunday, June 16, 2024

One of my spiritual disciplines is to "pray" my way down the road. I use what I see out the window to prompt me to pray for a particular situation or need. Often, when I drive by a church where women can't serve or lead, I pray for the girls in that congregation, that feel called to ministry, leadership or service within the church, to find mentors in their lives so that they may find a place to serve God. I am so thankful that I don't have to offer such a prayer when I pull into the parking lot of First United Methodist Church.

Paul writes in Ephesians that God gave us Gifts of the Spirit for the equipping of God's people for the work of serving and building up the body of Christ. God gave all people gifts, so that we might use them for the glory of God and these gifts are not for a select few but for all who follow Jesus. (Ephesians 4:1-16)

During my first year of ministry at FUMC, I have come to appreciate how God has gifted you for ministry and how many of you use those gifts within the church. The use of gifts is not limited by gender, age, marital status, a pristine past, sainthood, or a checklist from the church. We are a place where all are empowered and equipped to use their gifts for ministry. This is wonderful, because I don't think that God created you the way which you are and blessed you with the gifts that you have been given by the Holy Spirit, so that you or the Church could squander those gifts. At FUMC, we believe and practice the priesthood of **ALL** believers, and that is beautiful for the Body of Christ.

Take the Spiritual Gifts Inventory @ Spiritual Gifts UMC.org

Every child of God is filled with [the power of the Holy Spirit](#), specially gifted to play a unique and valued role in the body of Christ. No one is without gift or purpose.

Spiritual gifts are not our talents or skills. They are the grace of God at work within us, empowering us to match our deep passions with the world's deep need. The gifts are given to individuals, but they are given to build and strengthen community and to meet the needs of those around us.

Begin the journey. Discover your gifts. Talk about your gifts with others. Strive together to understand your gifts and how you can use them to serve God, neighbor, and world. You have been gifted. You have been given a purpose.

Sermon Series for June: #wearefirst

It is hard to believe that I have been appointed to First United Methodist Church for almost a year now. During this past year, I have grown to know you and love you, as the church. The unique qualities that you bring as a congregation enrich my life, one another's lives, and Gadsden. It is my joy to serve you.

During the month of June, First United Methodist Church embarks on a sermon series to celebrate the strength and beauty of the congregation: #wearefirst. Join us each Sunday as we examine the gifts of our diversity, our generosity, the theology of all empowered for ministry and our roots in tradition which come together to be First United Methodist Church of Gadsden. In addition to this series, there will be a themed logo showcasing our beautiful steeple, which will be available on coffee mugs, t-shirts, and yard signs. For the course of the series, you can celebrate and share your photos of all things FUMC with #wearefirst on your social media accounts. This will be a season of celebrating what makes us First United Methodist Church. — Rev. Sherri
