What You Do:

Before the Activity: Place one prepared pop-up frog craft and crayons or washable markers at each child's spot. Write each child's name on the back of their craft.

During the Activity: Encourage the children to color their frog, flies, and background. Show them how to gently open and close the card to make the frog's mouth pop open.

After the Activity: Connect the frogs in the craft to the Bible Story and review the Bottom Line.

What You Say:

Before the Activity: "Come on over, artists! In today's Bible Story, Pharaoh would not let God's people go. God showed Pharaoh how powerful He is by sending frogs everywhere! Let's color a frog with a mouth that pops open."

During the Activity: "Color your frog and all the little flies. (Allow time to color.) Your frogs look great! Now gently open your card. Pop! Your frog's mouth opens! The Bible says there were frogs all over Egypt. God showed Pharaoh that He is very powerful."

After the Activity: "You can take your pop-up frog home and tell your family about the frogs in today's Bible Story. God showed His great power, and God rescued His people. **Who rescued His people?** God did! **[Teaching Focus]** God is powerful and rescues His people."

1. Jesus Loves Me (Remix) | Optional Worship Song

What You Need:

- QR code for Jesus Loves Me (Remix) (below)
- Device to scan the QR code and play the song
- Speakers, if needed

What You Do:

Before the Activity: Scan the QR code and have the song ready to play. Invite the children to stand where they have room to move.

During the Activity: Play the song and sing along. On “Yes,” pump both fists in the air, then on “Jesus loves me,” hug yourself. For “the Bible tells me so,” children may open their hands like a book as a simple optional motion or pump one fist in the air, then the other, while turning slowly in place. Invite them to follow the video and repeat the song if time allows.

After the Activity: Remind the children that Jesus loves them. Review the Key Question and Teaching Focus from today’s Bible Story.

What You Say:

Before the Activity: “Friends, we’re going to learn a song about how much Jesus loves us! Stand up and make a little space. Watch me and join in with the motions.”

During the Activity: “When we sing ‘Yes,’ pump one fist up, then the other! Turn slowly if you have room. When we sing ‘Jesus loves me,’ give yourself a hug. You can open your hands like a Bible for ‘the Bible tells me so.’ Let’s follow along and sing together!”

After the Activity: “Jesus loves you! Today we heard how God rescued His people. Who rescued His people? God did! [Teaching Focus] God is powerful and rescues His people.”
