Dear God, thank You for always being there for us and helping us when we need You. Help us listen and learn about You today. We love You. In Jesus’ name, amen.”

3. God Makes a Way!

What You Need:

- ☐ “God Makes a Way” cardstock page, one per child
- ☐ Crayons or paint sticks
- ☐ Permanent marker to write each child’s name
- ☐ Fish stickers

What You Do:

Before the Activity: The activity pages will be printed on cardstock and pre-folded before Sunday. Place one prepared activity page and decorating supplies at each child’s spot. Write each child’s name on the back.

During the Activity: Invite the children to decorate the water and the path. When they finish, help them lift the two side panels so the water stands up and the path stays open.

After the Activity: Connect the open path through the water to the Bible Story and review the Bottom Line.

What You Say:

Before the Activity: “Come on over, artists! God’s people came to a big sea. It looked like there was no way through, but God made a way! Let’s make the sea open with a path in the middle.”

During the Activity: “Decorate the water on both sides and the path in the middle. (Allow time.) Now let’s lift the two sides. Look! God made a path through the water for His people. Later, God gave them the 10 Commandments to teach them how to live.”

After the Activity: “Take your craft home and tell your family how God made a way through the sea and gave His people the 10 Commandments. **Who makes a way and teaches us?** God does! [Teaching Focus] God makes a way and teaches us.”
