3. Jericho Trumpets!

What You Need:

- ☐ “Jericho Trumpet” cardstock template, one per child
- ☐ Crayons or markers
- ☐ Stickers
- ☐ Clear tape or stapler for adult use
- ☐ Permanent marker to write each child’s name

What You Do:

Before the Activity: Print the trumpet templates on cardstock and have the prep team cut around the dashed outline before Sunday. Place one trumpet and decorating supplies at each child’s spot. Write each child’s name on the back.

During the Activity: Invite the children to decorate their trumpets. When each child finishes, overlap the two long edges to form a cone and secure the seam with clear tape or staples.

After the Activity: Let the children hold their finished trumpets and pretend to blow them. Connect the trumpets to Jericho and review the Bottom Line.

What You Say:

Before the Activity: “God’s people had a long journey to the land God promised them. God helped them keep going. Later, God helped Joshua and His people at Jericho. Let’s make a trumpet like the ones used at Jericho.”

During the Activity: “Add colors to your trumpet. (Allow time.) Now I’ll help turn it into a horn. Hold it up and pretend to blow it. Toot, toot!”

After the Activity: “God helped His people keep going on their journey, and He helped them at Jericho. **Who helps us keep going?** God does! **[Teaching Focus] God helps us keep going.**”
