

# Communion Service

*"This Do in Remembrance of Me"*

October 25, 2026

Communion is a time we ingest a morsel of unleavened bread and unfermented wine (*juice*) as a figurative and \_\_\_\_\_ reminder of the great price paid for each of us through the broken body and shed blood of the Lord Jesus Christ for our sins. Some false religions offer communion weekly because of their belief that communion is a part of what keeps you saved and in good standing with God (*sacrament*). A few denominations believe that at communion their priests have the power to transform the bread and wine back into the literal body and blood of the Lord Jesus Christ (*eucharist*). Today we will look at **communion with God** through the honest lens of the Bible to find what God truly desires to take place at this solemn event in our Christian lives and church.
