

Happy Fathers Day!

June 21, 2026

Fathers and fatherhood are somewhat difficult roles to fill in this world. There is an element of mystery to fathers...sometimes a seeming unapproachableness and even an associated _____ with them. There are many fathers and father figures in the Bible, but one stands above them all, God the Father. God the Father is so multi-faceted that it is almost impossible to fully compile who He is and what He truly is to us (Exodus 6:1-6, 20:18-20; John 14:8-9). Today we will take a brief look at and learn from God the Father.
