SCRIPTURE: Acts 20:7-38

Ephesian elders come to Miletus to see Paul

In the first half of the speech Paul reminds the Ephesian elders of how he:

- Lived among them
- Served them in humility and with tears
- Preached everything to both Jews and Greeks
- Preached repentance and faith in Jesus
- His compulsion to go to Jerusalem
- Prison and hardship loom in his future
- None of them will see him again

Then in the rest of the speech Paul concludes:

- Be vigilant
- Be watchful
- Be on guard
- LOOK OUT!

Why So URGENT Paul?

How Do We Watch? How Are We Vigilant?
