

DRESS GUIDELINES

With our clothing, we should always remember who we are reflecting and representing - our church, our staff, our leadership, the congregation. Most importantly, we want to honor our Lord and Savior, Jesus. We are on stage & camera, so please dress appropriately, not drawing undue attention to yourself. We do aim for freedom to dress comfortably, and to express our own individual styles.

We ask that you keep these requests in mind when you go to your closets:

- Every ministry weekend, we will work from a predetermined color palette. Don't fret if you don't have those exact colors, as black and gray are always allowed as well. Solids are preferred but not required. Please avoid busy patterns.
- Please make an effort to be presentable. Jeans are appropriate, however, ripped jeans revealing substantial skin are not appropriate.
- Avoid clothing with symbols or messages (this includes sport teams clothing) that could cause distraction from our time of worship.
- Avoid wearing white, cream, or light beige as a primary color in your outfit, because it can make you "glow" under the lights.
- Avoid neon type colors that could draw undue attention.
- Please do not wear hats as they can distract or fall off.
- Please avoid tight shirts.
- Men: Please do not wear your pants in a sagging fashion.
- Ladies: Please keep skirts & dresses at a reasonable length, because there will be a considerable amount of movement.
- Ladies: Avoid low-rise pants where you are at risk of revealing undergarments.
- Ladies: Avoid skin tight body dresses, revealing cleavage or midsections
- Ladies: Sheer clothing becomes more sheer under the lights, so layer as necessary.
- Ladies: Please accompany sheer or thin leggings with a long top or dress that adequately covers front and back. We may be jumping, etc. so several inches of length to supplement may be necessary.
