**Wow!**

Time really flies when you are having fun. I find it hard to believe that we are already in May and only have 3 weeks of Baseball/Softball left. We have been blessed beyond measure with our baseball season and excited at what God has been able to do. I love baseball and I really miss coaching it, but I love putting it together and watching the kids have such a wonderful time. Coming in off the field and yelling "LETS GO!" at the top of their lungs because of the great plays they have just made. But more than all that being able to tell them about the one who loves us the most, Jesus. I trust that you have felt the heart of this program and in some way has helped you to raise the players in your home to serve and love Jesus.

Looking ahead, at the time of this letter we are ready to open registration for Genesis Golf. The cost is going to include so much for them and we couldn't even put a price on the fun they will have with us. For 8 weeks we will teach, play, challenge and have fun with many prizes along the way. The cost will include

- Swing Computer Analyses
- Coaching from Certified JR Golf Professional
- One on One Personal Instruction
- All Green Fees
- Private Driving Range
- Putting Green
- Mini Golf Course
- Private Club House for Genesis Golfers
- Much Much More

Other gear will be available at discounted prices throughout the season. We can't wait for June 16th to roll around so we can begin the Genesis Golf season. We only have 45 spaces available so please don't delay because when we close registration it will be closed. The 1st 45 will be placed on a team and there will be **NO LATE REGISTRATION**. However we will start a wait list for those who have not registered in time.

Flag Football is in the wind and another season will be here before we know it. Registration will open June 1st. K3 - 12th grade, both boys and girls are welcome to join in on the fun of this fall sport. We have had great seasons as we enter into our 3rd year of Flag Football. Look for some new "merch" to arrive during our flag football season. Hoodies, blankets and much more will make an appearance in our snack shack. In order for us to keep our cost as low as possible for everyone,

If you or someone you know would like to help sponsor this ministry we would love to talk to you or them about the many ways you can join the team. Your help keeps us able to offer this ministry to those who need help financially.

Well April showers bring May flowers so enjoy them before the heat hits,  
Pastor Ron
