

New Season Weekly News

Know what's going on!

As we head into the weekend, take just a minute to look over a few upcoming events and opportunities to get connected. We hope to see you this Sunday!

FINDING GOD IN SUFFERING, SILENCE AND SURVIVAL.

A STUDY IN JOB

For years, he stood behind a pulpit and preached about faith in suffering, trusting God when you don't understand and believing God in the darkest valleys.

Then suddenly, those weren't sermon points anymore. He had to live them. Join us in the month of August as Pastor Steve walks us through a study in the life of Job.

****Every Sunday morning before every service, our prayer team gathers to pray** over our church family, the service and the pastor bringing God's Word. If you'd like to be a part of that time of prayer, we'd love to have you! Just arrive a little early next Sunday and join us at the left of the stage as we pray together before service begins.
