FAMILY DEVOTION: Take The First Step

THE BUZZ: God can bring the Breakthrough!

THE POWER VERSE: "Trust in the Lord with all your heart; do not depend on your own understanding." – Proverbs 3:5

THE TAKEAWAY: Trust God and take the first step!

SAY: Have you ever had a problem that seemed WAY too big? Maybe you were afraid to do something, there was a problem you didn't know how to solve, or a situation seemed impossible to change. When something feels impossible, sometimes we just want to stop and wait for the problem to go away. But often God asks us to trust Him and take a step of faith even before we know exactly what He's going to do!

READ: Joshua 3

DISCUSS:

- How long had the Israelites waited to enter the Promised Land?
- What huge obstacle was standing in their way?
- What were the priests carrying as they approached the river?
- When did God stop the water from flowing?
- How can we know if God is asking us to do something?
- What's something you need God's help to take the next step in?

SAY: Sometimes we wait and wait for God to remove every problem before we're willing to move, but you don't have to know how everything is going to work out before taking a step of faith. You just need to trust God. When He tells you to move, you can move forward in faith and trust Him to make a way!

PRAY: Pray that your children will trust God in every circumstance, be bold, and take a step of faith! Pray that God would make a way!
