FAMILY DEVOTION: Caught In The Storm

THE BUZZ: God is with me in every storm!

THE POWER VERSE: "God is our refuge and strength, always ready to help in times of trouble." - Psalm 46:1

THE TAKEAWAY: When life gets hard, have faith in God.

SAY: Have you ever had a really hard day? Maybe you had an argument with a friend, felt scared about something, got sick, or something happened that made you really sad. The Bible sometimes compares hard times to storms. Storms can make us feel afraid, confused, or like we're all alone. But here's something important to remember: just because you're in a storm doesn't mean God has left you. He is with you through every difficult moment.

READ: Acts 27:13-26

DISCUSS:

- Did Paul do anything to cause the storm?
- Who brought Paul a message from God during the storm?
- Who did Paul say he believed, even during the storm?
- What did the sailors do while the storm was going on?
- Does following Jesus mean we will never have problems?
- What are some "storms" kids might face today?

SAY: Sometimes the storms in our lives don't disappear as fast as we'd like. We may still have problems at school, hard days at home, or worries that make us feel afraid. God doesn't promise we'll never have storms, but He does promise to be with us through them. He never forgets us, never leaves us, and never stops caring for us!

PRAY: Pray that your children will trust God in the middle of life's storms and that they would feel His care in their hardest moments.
