Kinder Haus

Dear Parents,

In order to be able to provide communication to parents in a quick and safe way, our school will be using Remind. Remind is an app that allows teachers and administrators to communicate with parents on one platform. **Please sign up for YOUR CHILD'S CLASS AND ALL SCHOOL COMMUNICATION.** Also, when your child/children move to a new classroom, you will need to sign up for the new class. Kinder Haus will remove you from the old class. We will be using Remind as our main source of communication for emergencies and all school reminders.

Please let us know if you have any questions or concerns.

How to Sign Up for Remind

- Text the number **81010**
- The message should say @_____(class code)
- If you do not have a Remind account, it will ask you to enter in your full name and answer that you are a **PARENT**. Once you have answered all of the questions, you will be asked if you would like to download the app. The app is not required, however it is easy to navigate and a helpful tool. If you already have the Remind app, it will send you a confirmation that your request to join our school has been sent.

Class Codes for Remind

- **Ladybugs @khladybugs**
