The June Mission Focus Is: UMCOR

Founded in 1940, the United Methodist Committee on Relief (UMCOR) is the global humanitarian relief organization of The United Methodist Church. A part of Global Ministries, UMCOR works in more than 70 countries worldwide, including the United States and its territories, in the areas of disaster relief and recovery, migrant and refugee support, environmental sustainability, agriculture and food security.

The organization's mission, grounded in the teachings of Jesus, is to alleviate human suffering for all people. In 2024, UMCOR responded to 89 natural disasters and awarded over \$32.96M in disaster response grants.

Global Ministries and the United Methodist Committee on Relief (UMCOR) strengthen United Methodist response to humanitarian crises around the world through disaster relief and recovery, migrant and refugee support, environmental sustainability, agriculture and food security.

You don't have to become a missionary to work in mission. Volunteer as an individual or with your church or conference to serve and support the ministries of Global Ministries and UMCOR. Visit the website to get More information about how to volunteer.

Bethany Family

"Our son Brandon, who was baptized, confirmed and married at Bethany Church, is dealing with kidney failure at age 36. He suffers from a rare genetic disease that destroys kidney function.

He's been on dialysis for over a year now as he awaits a donor kidney, preferably from a living donor. His home dialysis must be done every night for 8 hours, leaving him attached to the machine. It's uncomfortable and doesn't allow him to help care for his children (ages 5 and 2 years old) during the night.

His hope is to find someone willing to provide a kidney who has O+ blood type. It's a huge gift for a donor to make, but we believe there's someone out there willing to help. Please share this and contact us with any questions or if you know someone who may be able to help." Donn & Gayle Hein

Congratulations! Prayers and blessings for the marriage of MacKenzie Hoffman and Brady Snyder on Friday, June 5! MacKenzie is the daughter of Scott & Jennie Hoffman, and the granddaughter of Becky Diederich.

Entered Into Eternal Life

Bethany sends prayers of comfort to the family and friends of Judy Warner, who entered into eternal life on May 8, 2026.

Family and friends will gather at Bethany on June 10th from 3– 5pm for a visitation. A short prayer service will be held at 5pm.

If you would like more information, please visit:

WISCONSIN ANNUAL CONFERENCE 2026

Practicing Hope

Romans 5:3-5, New Revised Standard Version

And not only that, but we also boast in our afflictions, knowing that affliction produces endurance, and endurance produces character, and character produces hope, and hope does not put us to shame, because God's love has been poured into our hearts through the Holy Spirit that has been given to us.

June 4 - 7, 2026 at the Madison Marriott West Convention Center

**Pastor Robb McClintock, Jamie Luepke, and Carrie Bressers
are representing Bethany Church.**

They will be voting on the petitions, conference budget, and conference leadership

Honoring Our Past, Embracing Our Future

Peace UMC is Merging with Zion United Methodist Church

After much prayer and thoughtful discussion, Peace UMC has made the decision to merge with Zion United Methodist Church.

While we are sad to say goodbye to our building at 919 Schwartz Street, we are filled with hope for the future. Zion has a growing congregation and a vibrant children's ministry, and together we look forward to continuing our mission of faith, fellowship, and service in new and exciting ways.

This is not an ending, but a new beginning.

Dad Jokes

- What kind of shoes do frogs wear? Open-toad sandals.
- I just built an ATM that only gives out coins. I don't know why no one's thought of it before: it just makes cents!
- Did I ever tell you about the time I went mushroom foraging? It's a story with a morel at the end.
- What happened when two slices of bread went on a date? It was loaf at first sight.
- Why do crabs never volunteer? Because they're shell-fish.
- I had a quiet game of tennis today. There was no racket.
- What's a shark's favorite saying? "Man overboard!"
- What did one slice of bread say to the other before the race? You're toast!
- Why do melons have weddings? They cantelope.
