

First Week

Hey _____ -

I'm so grateful that you chose to join us for a RADIUS worship service. I hope that you were welcomed and made to feel like a part of the family!

I'm so glad you are interested in learning more about what RADIUS believes. A great place to start is our [Beliefs page](#) on our website. You'll find some helpful information [here at this link](#). Another great spot to learn more about RADIUS, what we believe and get any questions you may have answered is at Discovery. At Discovery, you'll have a chance to meet some of our Partners, meet other new folks to RADIUS, and hear an overview of who we are, where we're headed and how you can hopefully fit in.

The next Discovery is Sunday, January 28 at 10:45AM (during second service) - you can [RSVP here](#).

Please let me know if there are any other questions I can answer for you or ways I can help get you connected on campus.

Follow Jesus – We would love to talk with you more about what it means to follow Jesus. That is one of our favorite conversations to have. Is there a day of the week and time of day that works best for you to sit down over a meal or a coffee and talk?

Groups – Groups are the heart of discipleship, relationship, care, and generosity at RADIUS Church. Each week groups gather to grow in faith, care for one another, live generously, and impact their radius – or local spheres of influence. Groups are how we live out the mission of RADIUS Church together. You can find out more about groups and sign up [here](#)!

Serve – Serve Teams are one of the ways we glorify God by using our time and gifts to help make disciples and live generously. Serve Teams are one of the primary ways we live out the mission of RADIUS Church together. You can learn more about serving at RADIUS, find a list of serve teams and sign up [here](#).

RADIUS Kids - In our Kids Ministry, we want kids to know God's story, make friends, and have fun. We have a team of wonderful volunteers that serve on a regular basis and invest in the kids who come to RADIUS Kids. If you want to read through some more specifics about RADIUS Kids, you can find that [here](#).

RADIUS Students – In RADIUS Students our goal is to provide a space where students can learn and grow in their relationship with Jesus, build friendships with other students, and interact with adult leaders who will cheer them on as they learn to own their faith. Our students meet on Sunday evenings from 6-8PM at the church. If you want to learn some more specifics about Student Ministry, you can find that [here](#).)
