# AREAS OF MINISTRY

## A WORD ABOUT MINISTERING AT CROSSROADS

- **There is space for everyone to get involved!**

Some areas of ministry are already being accomplished by others, but that doesn't mean there is no space for you!

- **There is always a need!**

Some areas of ministry have gaps that need to be filled, and some areas of ministry need people to dream into them and form a ministry team to get the work going.

- **This list is not exhaustive!**

If you have additional ideas of ways to minister to and with the Crossroads family, please share them with Crossroads' staff and elders.
