

OUR MISSION

Ascension's Preschool program is designed to assist parents in preparing their child for elementary education while teaching them God's grace and forgiveness. We focus on each child's unique abilities and nurture a positive feeling of self-worth based on God's unchanging love.

Your child will grow spiritually, socially, emotionally, intellectually and physically within an intimate Christian setting.

We strive to teach young children about God's love and his plan of salvation by combining the teaching of God's Word at an age-appropriate level with the modeling of Christ-like love and behavior from the staff.

CURRICULUM

Ascension Lutheran Preschool offers a comprehensive Christian curriculum for children ages 3-5 years old with an emphasis on early childhood academics, social emotional growth, and kindergarten readiness. With this in mind, we teach age appropriate pre-reading, pre-writing, math and science skills.

Areas of focus include:

- ✦ Spiritual growth through daily Bible lessons, songs, and prayers
- ✦ Development of fine and large muscle skills through a variety of hands-on activities
- ✦ Instruction in alphabet and mathematical concepts
- ✦ Opportunities for self expression through creative play
- ✦ Music and movement activities to promote rhythm and coordination
