ANNOUNCEMENTS

NEW SUNDAY STUDY: 10 LIES ABOUT GOD—This Sunday we look at the lie that "God has made death a natural part of life." From children's films like *The Lion King* to the evolutionary theory taught on our college campuses, we are told that death is "natural" even beneficial. Yet God tells us the truth that death is anything but natural, it is an unwelcomed consequence of sin that we must endure, but one that Jesus will finally overcome once and for all on the Last Day.

ZOOM STUDY: *Hard Sayings of Jesus* - July 2nd @ 7PM "Unbelievable Faith"

SUMMER AUDIO DEVOTION: What is the source of Christian truth? How does the Bible compare to other sacred writings in the truths that it presents? In order to be effective witnesses in our pluralistic society, we need to be able to thoughtfully answer these questions.
