**For Discussion:**

1. What do you have in common with criminals? List three to five things.
2. Do you see yourself better than criminals? Why or why not?
3. How would you explain what it looks like to fear God? Does that look different for believers than unbelievers? Why or why not?

**For Further Study:**

1. Read Luke 23:1-56. List ways Jesus suffered for you.
2. Read 1 Peter 2:21-25. How are we to respond to suffering and authority that does not have our best interest at heart?

**For Response and Application:**

1. What are the sins in your life that Christ died for?
2. Thank God that all your sins have been covered by the blood of Jesus.
