

## *Prayers for Project Galveston*

1. Pray that our student leaders would abide in Christ daily, leading from a place of authentic faith rather than performance. Pray for student leaders: Davis Grindle, Emily Delcambre, Rowen Hughes, Charlie Lippa, and Garrett Neeley as they lead and serve this summer.
2. Pray for the two students joining us from Panama, Samy Grajalas and Valentina Ceballos. Ask that they would build strong relationships, grow deeply in their walks with Christ, and return to Panama equipped to help start a multiplying movement on college campuses there.
3. Pray for our summer staff as they lead and serve in Galveston. Ask God to give them wisdom, unity, and direction as they create an environment where students can focus on growing in their relationships with Jesus. Pray for College Life Staff: Kaylee Boykin, Micah Ardila, Kolton Pruitt, and Mari Grajalas.
4. Pray that all of the students would catch a vision for gospel-centered multiplication and evangelism. Ask God to replace fear with faith as they consider how He is calling them to live on college campuses across Texas.
5. Pray that every UTD student attending would be fully funded before arriving in Galveston so they can focus fully on ministry, relationships, and spiritual growth during the summer.
