CFMI CHILDREN HOME UPDATE

Greetings in the mighty name of Yeshua, We want to share an important update regarding some of our children in the CFMI family. Recently, we were saddened to learn from school authorities that a few of our children had been influenced by wrong company and became involved in unhealthy habits, including marijuana use, and inappropriate behavior at school.

This news deeply grieved our hearts, but we believe that no situation is beyond God's redemption and restoration. Immediately, we took action by counseling the children with love, patience, and biblical guidance. We reminded them of their identity in Christ and encouraged them to turn away from harmful influences and walk in righteousness.

"Train up a child in the way he should go: and when he is old, he will not depart from it." – Proverbs 22:6

By God's grace, the children are now responding positively to correction and guidance. At this time, they are focusing on their examinations, and we are continuously supporting them through prayer and mentorship.

We humbly request all our sponsors and prayer partners to stand with us in prayer:

1. Pray for complete deliverance from every wrong habit and influence
2. Pray for renewed minds and transformed hearts
3. Pray for focus, wisdom, and success in their exams
4. Pray that they will grow in the fear of the Lord and walk in His truth

We believe this is a season of correction, restoration, and spiritual growth for our children. What the enemy intended for harm, God will surely turn for good.

"The Lord is near to the brokenhearted and saves the crushed in spirit." – Psalm 34:18

We would like to share a recent update from our CFMI Children Home as we continue to trust God through difficult circumstances. Due to the ongoing effects of war impacting supply chains here in India, we are facing a significant rise in daily living costs. One of the major challenges has been the sharp increase in propane (cooking gas) prices. On normal days, a cylinder costs around ₹1200 (approximately \$14), but now the price has risen to ₹2500 (around \$29) due to shortages. Along with this, the cost of firewood and essential groceries has also increased considerably.

In the midst of these challenges, we praise Yeshua for His faithful provision. As it is written, *“Give us this day our daily bread”* (Matthew 6:11), and truly, the Lord has been sustaining us each day.

We are especially thankful for a practical and creative solution given through Sister Martha. With wisdom and care to reduce waste while cooking, she guided the children in building a simple cement wood stove. By God’s grace, it is working very well. Now, we are able to manage resources wisely—using the gas stove in the morning and the firewood stove in the evening. This small innovation has become a big blessing for our home, helping us to cope during this time of rising costs. We thank God for Sister Martha’s idea and the willingness of the children to work together.

We are deeply grateful for your continued prayers and support. Your partnership enables us to care for these children even in difficult times.

“And my God shall supply all your need according to His riches in glory by Christ Jesus.” – Philippians 4:19

CFMI STREET EVANGELISM

Greetings to you in the precious name of our Lord and Savior, Yeshua!

With a heart full of gratitude and humility, we would like to share a powerful and inspiring update from our CFMI Street Evangelism Ministry. As you already know, during our outreach, many people have been requesting Bibles. Their hunger for the Word of God is real and deeply moving.

However, we also want to share the reality we face here in India. One Bible costs approximately ₹400 (about \$4). For many of us, this amount represents an entire day's labor—from morning 7 AM to evening 6 PM. Eleven hours of hard work equals the cost of one Bible. This reminds us that providing God's Word is not a small thing—it is a sacrificial investment.

Because of your generous support, we are able to place these precious Bibles into the hands of those who truly seek the Lord. We recognize that this is not just financial support—it is the blessing of God working through you. And with that blessing comes responsibility: to sow wisely into good soil so that it produces a rich spiritual harvest.

After much prayer, discussion, and guidance—especially with our CFMI team from America—we were led to a beautiful and effective approach. Instead of distributing Bibles immediately, we began conducting a Discipleship Class through a local pastor.

At the start, 30 people joined the class. Over the course of four weeks, attendance gradually refined itself to 20 committed individuals. By the end of the discipleship journey, it became clear who was truly hungry and thirsty for the Word of God. Out of the original 30, 15 people demonstrated genuine faith, commitment, and desire to grow spiritually.

These 15 individuals are the “good soil” we have been praying for. We have now ordered Bibles for them, and once they arrive, we will joyfully place them into their hands—knowing that these seeds will grow, transform lives, and bear lasting fruit for the Kingdom of God.

We want to express our deepest thanks to our CFMI teams in America and India for this God-given wisdom. Your prayers, support, and partnership are making a real and eternal difference.

To all our supporters and prayer warriors—thank you. You are not just giving; you are sowing into lives that are being transformed forever.

Let us continue to pray that every Bible distributed will ignite faith, bring salvation, and raise disciples for Christ.

“Those who sow with tears will reap with songs of joy.” – Psalm 126:5

Preach the message; be persistent in doing so, whether in season or out of season convince, reprove, and encourage, but with great patience and instruction.

2 Timothy 4:2

PLEASE CONSIDER SUPPORTING US

The area we live in is impoverished. There is not a lot of opportunity to make enough money to support the ministry work we are or would like to do. That is where you come in. What you can make in one day, or so, of working takes us a week or more. When you help us, you are doing something we can't do on our own. That is to supply the financial support needed to take care of the children and our general needs.

There are 20 boys living with the Yamarthi family, and additional children are periodically blessed by the family through support of food and clothing.

*It costs close to **\$100/month/child** to provide food, clothing, lodging, school supplies, transportation, medical care, resources for the kitchen, and extra help when needed.*

Our other needs, general support, varies. These funds are used for evangelism outreach and our families' personal needs. The donations for this category tend to fluctuate.

VIKRAM REPORTS ABOUT CHILDREN

1. We are filled with joy and gratitude as we share a wonderful testimony from our CFMI Children Home. One of our children, who has been with us for the past 18 years, is now pursuing his Intermediate 1st Year (11th Standard) in the Indian education system.

By God's grace, he has recently completed his final examinations and has passed all his subjects with A grades. We praise Yeshua for His faithfulness, guidance, and favor upon this child's life. This achievement is not just academic success—it is a reflection of God's hand working through your prayers, love, and support.

At the same time, we are prayerfully waiting for the results of our 10th class students. We kindly request you to continue lifting all our CFMI children in your prayers, that they may succeed and grow in wisdom, knowledge, and the fear of the Lord.

We would also like to take a moment to sincerely thank Vikram for his dedicated efforts in guiding and supporting the children in their education. His commitment is making a lasting impact, and we deeply appreciate his service.

To all our supporters—thank you for standing with us. Your generosity and prayers are shaping the future of these children and helping them walk in God's purpose

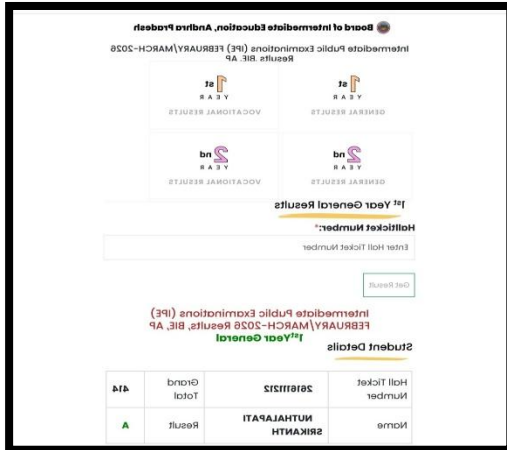

2. We would like to share an important update from our children's home. Recently, after completing their 10th standard examinations, a few of our children expressed their heartfelt desire to step out and begin living their lives independently. They shared that they want to make their own decisions and walk their own path as they move forward into the next stage of life.

As a ministry, this was both an emotional and prayerful moment for us. These children have been part of our family, and seeing them grow brings both joy and concern, just like a parent sending their child into the world. We gently counseled them and reminded them to always choose what is right, to walk in the fear of the Lord, and to remember the values they have learned during their time with us. After that, we respected their decision.

Before they left, we gathered together, prayed earnestly for each one of them, and sent them out with our love and blessings. Thank you for your continued love, prayers, and support for CFMI Children Ministry. Together, we are shaping lives for God's glory. We trust that the seeds of God's Word sown in their hearts will guide them and protect them wherever they go.

We humbly request you to keep these children in your prayers: Akhil, Chandu, Kumar, and Mahesh. Pray that the Lord will lead them, protect them from harm, open doors for their future, and draw them closer to Him each day.

The journey ahead may not be easy, but we believe that God who began a good work in them will be faithful to complete it (Philippians 1:6)

CFMI NEW BUILDING UPDATE

“Unless the Lord builds the house, they labor in vain who build it.” – Psalm 127:1

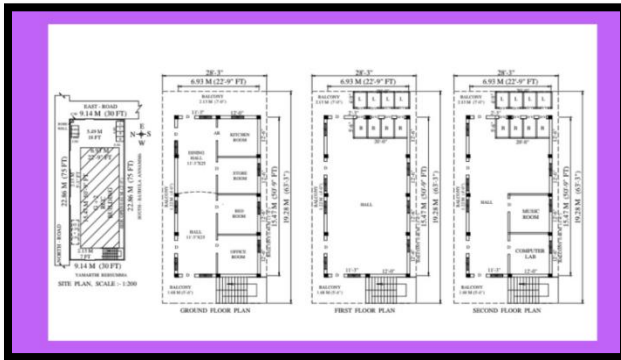

Shalom to you in the mighty name of Yeshua!

We are continuing to pray for the completion of the new Children’s Home Building. This home will be a place of safety, love, discipleship, and growth for the precious children the Lord has entrusted to us. We still need to fully finish the first story. This includes final structural work, essential materials, and necessary furnishings for the children.

Construction has halted while we raise more financial support and find suppliers and workers who will give us fair-market pricing for the remaining construction.

We are thankful that both our India team and the American team are working together faithfully—praying, planning, and raising support—so that this vision can be completed for the glory of God. We trust in the Lord’s faithfulness, and we believe He will touch the hearts of those whom He chooses to stand with us in this final step. If anyone feels led to support this project or would like more information, please feel free to reach out to our CFMI Board Members or the CFMI India team. Your encouragement, prayers, and partnership mean more to us than words can express.

Thank you once again for standing with CFMI and for believing in the work God is doing in India. Together, we are building more than a structure—we are building hope, shaping futures, and raising a generation for Christ.
