## Directions:

Use the sermon highlight below to get your conversation started.

"When I disagree with what the Bible teaches it's time to change my mind."

"Our culture has rejected God's purposes and plans for family, so it also rejects his teachings about it."

"What are you going to do when you disagree with God?"

"When we trust that God knows more than we do about how to avoid destruction and how to prosper, we join Him in his wisdom and begin to benefit from it."

"God reveals his love to us as a way of guiding us into healthy, holy relationships and into a place can be trusted with blessings."

Do not be deceived: God cannot be mocked. A man reaps what he sows. Whoever sows to please their flesh, from the flesh will reap destruction; whoever sows to please the Spirit, from the Spirit will reap eternal life. Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up." - Galatians 6: 7-9

"Would you like to reap something different? Then we will have to start planting something different."
