Pastor Cliff Purcell and
Laura Percell

Ephesians 5:21-33

Directions:

UsRead Ephesians 5:21 and discuss the following:

Discussion Questions:

1. Paul tells all Christians - including husbands and wives - to submit to one another. He then gives specific instructions to husbands and to wives about their respective ways of submitting to one another. What is the husband's version of submission? What is the wife's version?
2. What is the definition of respect that Laura and Cliff shared?
3. Husbands, share some ways that wives can demonstrate respect for you? (Wives, guard your hearts against being defensive as they share.)
