

## MISSIONS QUARTERLY UPDATE

We will develop and deploy fully devoted followers of Jesus Christ to disciple our family, community, and world.

At the conclusion of our **Faith Promise Campaign** in February and March, we experienced a surge of late pledges that significantly increased our total. In fact, the final pledged amount reached **\$4,379,000**, shattering the record set just last year. As these pledges are fulfilled, they will enable our missions team to pursue many of the ministry initiatives God has placed on our hearts for 2026.

**Because of your faithful and generous Faith Promise giving, during this quarter, we have welcomed a new Covenant ministry partner: Y2Believe.**

We are excited about this new partnership and look forward to supporting their ministry in numerous ways. *To learn more about their work, visit [y2believe.org](http://y2believe.org).*

In addition to providing our regular quarterly support to our **33 partners**, we were also able to make the following strategic investments:

- **\$110,000** to various ministries of Operation Oasis
- **\$152,000** to seven ministry partners to help students attend summer camps and retreats
- **\$25,000** to Crosstown to expand its Christian school
- **\$25,000** to DOOR for its new Nehemiah School in Kenya
- **\$25,000** to support church planting efforts in India, Japan, and Ethiopia

Thank you for your fervent prayers and faithful giving, which enable Covenant Missions to have a significant impact for the Gospel, both near and far.

## SHORT TERM MISSIONS

This spring we hosted two pastors from England, **Andy Young** and **Jonty Rhodes**, who lead church-planting networks throughout the **United Kingdom**. Their partnership with Covenant reflects our desire to support these church-planting efforts and contribute to the renewal of the British church, which has experienced decades of decline. We look forward to building on these relationships in the years ahead and expanding our support to other post-Christian regions in need of gospel renewal.

We currently have two **short-term mission** teams in the field, **Piraeus, Greece**, and **Copan, Honduras**, with two additional trips scheduled this summer. If you have not had the opportunity to participate in a short-term mission trip recently, there will be more opportunities announced in the near future.
