SHORT TERM MISSIONS

This quarter, four short-term mission teams from Covenant served in Piraeus, **Greece**; Copán, **Honduras**; TurkanaLand, **Kenya**; and Athens, **Greece**, where our students ministered this summer. Each team had the opportunity to share how God worked through their trip during a Summer Mission Moment.

Later this year, we'll announce several exciting short-term mission opportunities for 2027. We hope you'll prayerfully consider joining a team and experiencing firsthand what God is doing around the world!

Our December update will feature Covenant's **church-planting** initiatives across the **UK** and **Europe**. Until then, may God bless you as you continue to pray, give, and **Go!**
