

Live It Out—Discovering how to love like Jesus

Read: Ephesians 5:1

DAY

1

Walk It Out

With an adult, take a walk around your neighborhood. Look around and see what you can do to “live like Jesus” in your neighborhood. When you get home, make a plan to do one thing to help a neighbor!

ASK God to show you ways to help others around you.

DAY

3

Follow His Example

Draw a simple map from your house through your favorite part of your neighborhood. Write this week’s verse on your map. Use the map and the verse to remind you to live like Jesus in your neighborhood and follow His example.

LOOK for ways that you can be an example of Jesus.

DAY

2

Living Like Jesus

Draw a picture or create a comic strip of you living like Jesus. It could be a picture of what you thought about yesterday or something that you would love to do soon! Think big, like Jesus. Share your picture with someone in your house.

KNOW that when you help others you live like Jesus.

DAY

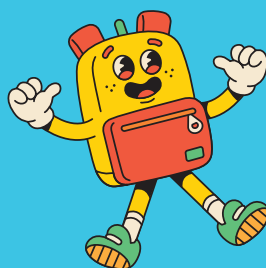

4

Live it Out

When you talk to Jesus, you get to know Him better. Talk to Jesus and ask Him to help you live like Him.

~~~~~  
 “Dear Jesus, thank You for showing me how to live like You. Thank You for people like Paul who talk about You and what You have done for others. Help me show others Your love this week by how I treat them. Jesus, give me opportunities to live like You this week. Amen.”  
 ~~~~~

THANK Jesus for being an example worth following.

Live like Jesus.
