7 Days of Creation Craft

What you need:

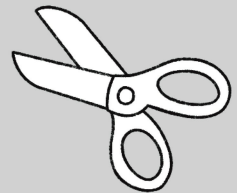

printed sheet

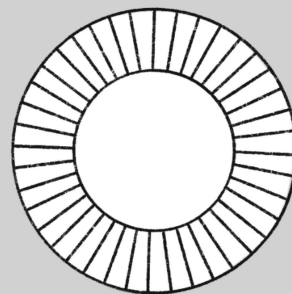

coloring
materials

scissors

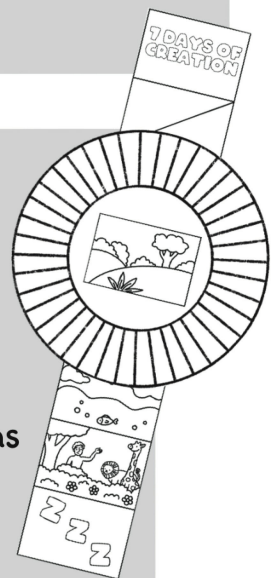

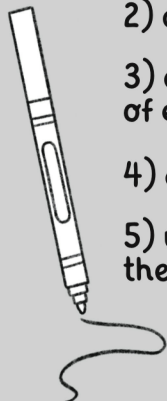

glue

paper plate

What to do:

- 1) decorate the paper plate
- 2) color the printed template
- 3) cut out the template but leave white margins at the top and bottoms of each strip
- 4) glue day 4 to day 3 to create one long strip
- 5) use the strip as a guide to make 2 cut lines for the strip to fit through the paper plate and show each day at a time
- 6) feed the strip through and learn the 7 days of creation!
