You Too Can Help Spread the Gospel Around the World!

Over the past 6 years, the Rwandan government has closed 8000 churches that are led by local pastors who do not possess a Bachelors Degree in Biblical Studies. Of the 221 Free Baptist Union Denomination of churches only 43 remain open.

TLBC is uniting with LBU to meet this need! We have found 25 Rwandan Baptist pastors who have enough academic credits from other institutions to complete a BA in Biblical Studies in one year! LBU has provided a tuition scholarship of \$6,270/pastor. Each Rwandan pastor will pay \$100! LBU needs \$500 per pastor to help finish the financial costs for this degree. **TLBC has committed to scholarship two of them from our budget, but we could do more.** Would you consider helping with this need? The total need is \$12,500 (\$500 x 25 Pastors needing a BA in Biblical Studies). **With LBU's Global Accreditation from the United Kingdom, we are positioned to make a difference!**
